# Rules of Procedure

The rules of procedure are applicable to all committees with the exception of the Youth Assembly, for which separate rules apply. Furthermore, please bear in mind that procedures vary slightly in the Security Council. The variations will be explained by the Chairs and must be followed. It is of the utmost importance that you are thoroughly aware of the rules of procedure as a delegate so as to be able to readily apply them when appropriate. The rules of procedure are enforced to ensure that the committee proceedings operate smoothly.

1. **English** is the language used for the duration of our conference. It is necessary to use formal language when addressing others, show **respect** and **courtesy** towards fellow delegates, and refrain from using offensive language.

The President/Secretary-General/Chairs reserve the right to decide on specific matters, such as the order in which the Agenda items will be debated.
5. During **voting procedures** the virtual doors will be sealed and no one will be allowed to enter or exit the Committee's google meet. You can either vote '**In Favour**' or '**Against**', or choose to '**Abstain**' by raising your placard when instructed to do so by the Secretariat/Chairs.
