CSMUN 13th Session 11th - 12th October, 2025

Welcome to Champion School Model United Nations 2025!

Dear Model United Nations Adviser,

We are pleased to invite you to the thirteenth session of the **Champion School Model United Nations (CSMUN)** in Athens, Greece.

CSMUN is a two-day conference that will be held on **Saturday 11th and Sunday 12th October 2025** hosted by Champion School, a British international school located in Pallini, Athens, Greece. Once more, we will be welcoming students and advisers from across the globe to take part in an enlightening and unforgettable Model United Nations (MUN) experience. Our conference encourages critical thinking and problem-solving, and allows new participants to gain their first opportunity to debate and practise their public speaking, as well as giving devoted and experienced MUN participants a platform to shine. CSMUN is a welcoming conference for Model United Nations teams that are looking for a comfortable and supportive environment.

We are pleased to advise you of the wide selection of committees that we will be offering again this year. In addition to the **General Assembly**, we will be running specialised committees such as **ECOSOC, WHO, WIPO, and ICJ**. Our Special Conference will be centred on the important global issue of **Free Will in the Age of Artificial Intelligence**. Topics for all committees have been chosen to reflect recent political issues in order to

engage students with the world around them and encourage them to research extensively and analyse their respective country's policies and political relations. We are certain that each committee will allow both novice and experienced participants to put their skills to good use and expand their knowledge of the world around them, not only through the chosen topics, but also by cooperating with other participants from around the world. The 13th annual Campion School Model United Nations Conference will prove yet again to be one that is memorable for both its ingenuity and productivity. Tomorrow Begins Today – come and join us!

We encourage you to visit our website for general information about our conference and for updates at <https://mun.campion.edu.gr>. Application Form 1 is available on our website. Please consult the [Country List](#) prior to filling in Form 1.

Committee Information

In this innovative simulation of the United Nations, delegates aged between **12** and **18** will have the opportunity to discuss matters of international importance, enhance their understanding of UN committee procedures and simultaneously prepare themselves for MUN conferences designed for students at higher levels of education. **Youth Assembly** is open to **12-13** year-olds only. In addition, certain committees may be more suitable for younger participants, such as the Environmental Commission, the Social, Cultural, and Humanitarian Committee, and the Special Conference. GA 1, 2, 4, and 6 are for more experienced delegates, as are the International Court of Justice and the Security Council.

The final programme and agenda will be posted on our website prior to the conference to enable students to prepare resolutions beforehand. ([Tentative Programme](#)) On the day of the conference, delegates proceed directly to their committee rooms, whilst advisers register their school at the designated desk. All participants will receive information packs, name tags, folders and other important materials for the conference. We do recommend bringing a laptop. **An adviser must be present to register a delegation.**

Formal business attire is required for all delegates attending the conference. **T-shirts, shorts, jeans or any other form of casual clothing are not acceptable.** Particularly due to the international nature of this conference, we encourage all participants to dress respectfully and any delegate not conforming to the dress code will not be permitted to participate.

Campion School's premises have two car parks on site with an additional car park opposite the main entrance. Local participants must arrange their own transportation to and from the conference. Please check online at <https://campion.edu.gr/> for specific directions to the school. Campion School address is: Agias Ioulianis 2, Pallini, Athens 153 51.

Lunch and refreshments will be provided to all registered participants.

Schools from abroad

Schools participating from abroad will be expected to pay the **school participation fee**.

The **entry fee per delegate or advocate/judge/student officer**, is stated below.

The price **does not include flights, accommodation nor any meals other than lunch on Saturday and Sunday**, which will be provided at school during the conference.

The full price of the conference is comprised of:

Delegate Participation Fee	€55
Transport (Optional)	€25 (buses to and from the airport/hotel and conference)
